

The screenshot shows the IGN homepage. At the top, there's a large Microsoft advertisement featuring the Microsoft logo and the text "Microsoft Surface Duo". Below it is a grid of four news cards: "NXG GW 2020", "The Boys Season 2, Episode 8 Review", "RTX 3080 GPU Review", and "Spider-Man: Miles Morales Villain The Tinkerer Explained". Underneath these is a section titled "Today's Top Stories" with four articles: "Everything We Know About Spider-Man: Miles Morales", "Every Detail We Discovered in the Hogwarts Legacy Reveal Trailer", "Marvel's She-Hulk Explained: Who Is Tatiana Maslany's MCU Character?", and "Crysis Remastered: The First 25 Minutes of PC Gameplay". A sidebar on the left lists categories like Latest, Videos, Games, Movies, TV, Comics, PlayStation, Xbox, Nintendo, PC, and Tech. A "Latest" tab is selected. At the bottom, there's a video player for "No Time To Die - Official Trailer 2" and a thumbnail for "Halle Berry Knew Catwoman Movie 'Didn't Feel Quite Right'".

This screenshot is identical to the one above, but it features a solid green overlay across the entire page. This overlay obscures all text, images, and interactive elements, demonstrating how the design would appear if viewed through a color calibration tool or a specific visual effect.

Happy September everyone!

As we continue our work with updating, reviewing, and clarifying our policies, we also wanted to take time to make some staffing shuffles to support the growth of the site. First up, with the upcoming re-launch of Bulbanews, G50 is shifting her focus back to her main role as Bulbanews Editor-in-Chief. For the past 6 months, G50 has served as our Acting Head of Anime and has helped take point on many of the anime-related policy changes that were seen over the past couple of months and has been an immense help to me personally. Relatedly, I am happy to share that long-time staff member Adil has agreed to step into the Head of Anime role. Please help me welcome him to the Editorial Board!

In addition to the above shuffle, I am also happy to recognize a handful of staff members who have been working extremely hard and have frequently gone above and beyond in their day-to-day work. Please help me congratulate Force Fire, Chosen, Frozen Fennec, Ruixiang95, and Daniel Carrero who are all receiving promotions as well. We can't wait to see what you all will do in your new positions!
